EDUCATION

- **Bsc. Library and Information Science (Honor)**
University of Ilorin, Ilorin, Kwara State, Nigeria | 2024
- **Data Analysis**
ALX | 2025

WORK EXPERIENCE

AG Leventis, Apapa, Lagos

Internal Auditor (Junior), | JANUARY 2025 – Till date

- Assisted in internal audit engagements, including planning, fieldwork, and documentation.
- Monitored implementation of audit recommendations and followed up to ensure timely resolution of identified issues.
- Prepared clear audit reports detailing findings, risk ratings, and corrective action plans for management review.
- Identified control weaknesses, process gaps, and potential fraud risks, providing practical recommendations for improvement.
- Reviewed financial records, transactions, and operational procedures to ensure accuracy, integrity, and regulatory compliance.

- Conducted risk-based internal audits to evaluate the effectiveness of internal controls, governance processes, and compliance with organizational policies.

University Of Ilorin Library, Ilorin, Kwara State

IT Specialist | June 2023 – November 2023

- Assisted in the installation, configuration, and maintenance of library management systems (LMS) and digital repositories.
 - Managed user access, system updates, and basic database administration for library and academic platforms.
 - Collaborated with librarians to digitize information resources and improve access to electronic databases.
 - Supported cataloguing, digital archiving, and information retrieval systems.
 - Provided technical support for library information systems, computers, and network infrastructure to ensure smooth daily operations.
-

KEY ACHIEVEMENTS

- Improved audit documentation and working papers, enhancing audit efficiency and regulatory compliance.
 - Detected financial discrepancies and process inefficiencies, resulting in cost savings and improved compliance.
 - Successfully completed multiple internal audit engagements within agreed timelines without compromising audit quality.
 - Identified and reported critical control weaknesses, leading to improved internal control systems and reduced operational risk.
 - Strengthened compliance with internal policies and statutory regulations through continuous audit monitoring.
-
